

MIRAE ASSET INDIA MID CAP EQUITY FUND

Share Class R in USD

INVESTMENT OBJECTIVE

The primary objective of Mirae Asset India Mid Cap Equity Fund is to achieve long term growth in the share price through capital appreciation, measured in US Dollars, of the underlying equity portfolio. The Investment Managers will seek to achieve the objective of the Fund by investing mainly in equities and equity related securities of mid cap companies domiciled in or exercising a large portion of their economic activity in India. The Fund may also, on an ancillary basis, invest in equities and equity-related securities of small and large cap companies that are either domiciled, or exercise a large portion of their economic activity, in India, as well as other eligible securities that are considered appropriate by the Investment Managers such as units and shares of UCITS and/or UCI, including exchange traded funds, and financial derivative instruments including, but not limited to, index futures and options.
